

Staff Profile

Yvonne Malthus, Occupational Therapist

Qualifications:

NZ Diploma in Occupational Therapy 1986

Level 1 and Level 2 Brain Injury Rehabilitation Course at Massey University - 2009

Profile:

I qualified from Central Institute of Technology in 1986. My areas of experience include: Mental Health, Health for the Elderly, Orthopaedics, Community Health and Workplace assessment.

Whilst working in Community Health for 3 years in the UK, I specialised in equipment prescription and housing modifications assessments.

My main area of expertise and interest lies in workplace assessment and graduated return to work programmes. In the past I worked for the Rehabilitation Institute of Wellington, which specialised in working with clients with Discomfort, Pain and Injury and injury prevention.

Since working for Independent Living Ltd in 1995, and again following maternity leave in 2008, I have been completing workplace assessments and graduated return to work programmes.

Specialises in:

OOS management and prevention

Workplace assessment/RTW programmes

Social Rehabilitation Integrated Rehabilitation Assessments

Specialist aids and appliances

Single Discipline Assessments
